Why Build?

Stewardship: We will be wisely using our resources, investing in our own facility rather than renting.

Space: We will have room for the many ministry and fellowship activities of our church.

Stability: Having our own building says to the community that we are here to stay.

Service: It will provide a launching place for ministries to touch our city and our world.

Students: Our youth and children will have their own worship and fellowship spaces.

CHRIST CHURCH
HOUSTON • NORTHWEST

Dear Friends,

I am inviting you to Answer the Call and be a vital part of our building campaign. We believe the time is right for Christ Church Houston Northwest to build our own facility here in Cypress, Texas. Six years ago, we began meeting in schools, and now for almost three years we have leased a small warehouse space in a great area of northwest Houston. Our present facility is simply not adequate for our growing church. We have always known the time would come when we must build. That time is now!

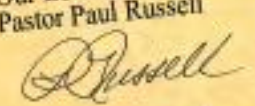

Cypress is a great place for our church. We are surrounded by all the signs of newness – new homes, new schools, new businesses, and new people. What matters the most are the hundreds and thousands of people moving into our area that need to experience the newness only found in Christ! We believe this facility will be a tool God uses for us to reach our community. People matter to us because they matter to God. That is why we have chosen to Answer the Call and launch this building campaign.

The property we have located is two and one-half miles north of Highway 290 on Mueschke Road, just one-quarter mile from our current leased facility. **Our campaign goal of \$500,000 will purchase the land and make it possible to secure financing for the building project.**

Can you picture a campus teeming with family activities? Vibrant worship services filled with joyful praise? A school of the arts where young people use their talents for Christ's glory? Exciting children's facilities where kids plead to come to church? What about a thriving leadership institute where tomorrow's pastors and leaders are raised up? A gathering place for fellowship, prayer and restoration?

We all have this exciting opportunity to give and to invest in something that will last eternally. We have the chance to leave behind a legacy that will impact thousands of lives for Christ's Kingdom. It is all possible. It is doable. And we need to take the first step. It is time to step out, do our part and believe God. We sincerely appreciate your help. Please join us as together we fulfill a dream and Answer the Call.

Our Love and Blessings,
Pastor Paul Russell

Messages Ways to Give Edit

Give a Cash Gift: Ask God for creative ways to increase your gift. You might consider giving from savings, tax refunds, garage sales, or an extra part-time job. Or you may consider decreasing your expenses or putting off a major purchase as a sacrifice to God.

Make A Faith Commitment: The Bible teaches that spiritual maturity includes the habit of regular giving. Ask God for an amount that He will provide for you to give over the next 12 months, above your normal giving.

Give Stocks, Securities or other Assets: Some prefer to give in the form of stock in order to receive tax credit for the appreciated value of the stock. Other assets could include land or valuables.

Please fill out a Faith Commitment Card and return to an usher at church or Send to CCHNW, PO Box 569, Cypress, Texas 77410
